

Tuesday/ Thursday's Tee Time Guidelines

The SSCCWGA is currently allotted 3 + tee times on Tuesday and Thursday. To play on Tuesday you must be a member of the WGA. Sign ups are online: southshorewomensgolf.com under golf. After entering your name and check off the dates you want to play, hit the SUBMIT key only once. Your name will show up eventually, **please do not hit the submit key more than once or your name will appear more than once.**

Please arrive at least 15 minutes before the first tee time at the 1st hole. You **must** be at the tee to have your ball go in the hat to determine the order of play. (You can not put a ball in for someone who is not on the tee, i.e. In parking lot or Pro shop.)

*Please play with your assigned group. If you are unable to complete the round, if you have to leave with a few holes left, put down the scores you would most likely get.

Please enter your scores each time you play.

Starting May on Tuesdays we play tournaments. So if you sign up to play on Tuesday please show up. Members have volunteered to run the tournaments each week/month and will have a card filled out prior to the tournament with your name and handicap on it.

Please let Cathy Stokes (cmstokes@comcast.net or 781-738-3512) know if you are unable to play. Call the Pro shop in the morning if you are unable to play.

Thank you!
